Naturist Guidelines

Males Au Naturel is a NYC-based men's group dedicated to building an atmosphere of social nudism. Overt sexual play is not condoned at our events, most of which are held in rented spaces. Members who participate in sexual activity at an official M.A.N. event may be sanctioned, up to and including having their membership revoked.

(Sexual activity is understood as any action or behavior that, if continued, would result in ejaculation.)

Privacy Policy

Males Au Naturel respects the privacy of its members and those inquiring about membership. We do not sell, distribute or otherwise make our lists available to other persons or organizations without prior consent from the members in question.

If you have special privacy needs, please bring this to the attention of any representative of the Steering Committee.

Membership and Dues Policy

M.A.N. members must be men, first and foremost.

Membership runs from January 1 to December 31 in any given year. Currently dues are \$40/year for individuals, \$56/year for couples at the same address.

Membership guarantees continued invitations to parties and provides operating cash to keep the group going.
